The diagram illustrates a file dependency structure. At the top is a header file box (shaded gray) containing the path: C:/Users/robbe/source /repos/lolrobbe2/luna /luna/src/core/platform /platformUtils.h. Below it are two source file boxes (white). The left box contains: C:/Users/robbe/source /repos/lolrobbe2/luna /apollo/src/panels/sceneHierarchy Panel.cpp. The right box contains: C:/Users/robbe/source /repos/lolrobbe2/luna /luna/src/core/platform /windows/platformUtils.cpp. Two blue arrows point from the bottom of the left and right boxes up to the bottom of the top box, indicating that both source files include the header file.
