

luna::utils::layer

```
graph BT; A[luna::editorLayer] --> B[luna::utils::layer];
```

The diagram illustrates a relationship between two classes. At the bottom is a white box with a black border containing the text 'luna::editorLayer'. A blue arrow points vertically upwards from the top center of this box to the bottom center of a gray box with a black border at the top, which contains the text 'luna::utils::layer'. This indicates that 'luna::editorLayer' inherits from or is a specialization of 'luna::utils::layer'.
